No. 393.—The following rules prescribed in Government Order No. 9761-2—169, dated 8th March 1890, for the use of stones of Forts or Tanks are published for general information and guidance :—

1. Stones of Forts or Tanks whether in good order or in ruins should not be appropriated for any Public Works (Government, Municipal or Local) or for other purposes without the permission of the Deputy Commissioner to be obtained by application made to him together with a statement showing the estimate of the quantity and value of the stones proposed to be used.
2. When such permission is sought, prompt enquiry should be made by the Revenue Department to ascertain whether there is any objection to the proposed removal and appropriation of the stones.
3. If there be no such objection, the stones should be allowed to be at once removed and utilized as proposed, their value being duly credited to the Government in the Revenue Department.
4. Any difference of opinion between the Deputy Commissioner and the officer applying for the stones, as to their value, should never be a ground for delaying the grant of the permission applied for. The permission should, in such cases, be first granted, and then the question of value be reported for the orders of Government.
5. All D. P. W. estimates for works wherein such stones are proposed to be used should state their value. In the disposal of contracts for such works, special care should be taken to ensure that no undue profit ensues to the contractor from the permission to use Government stones of Forts or Tanks.
6. The above rules should be regarded as supplementary to those contained in the late Chief Commissioner's Proceedings Nos. 3276—138 and 2484—353, dated 19th July 1875 and 27th July 1880.

The following Circular order is published for information :—

ORDER NO. 9591-8—CIR. 210, DATED 8TH MARCH 1890.

The Deputy Commissioners are requested to give due effect, during the Jamabandi of the current

It was put forward as a grievance that mohatarfa house tax should be collected from raiyats who lived in villages where they owned no land, but held land in the adjoining villages. Remission of the tax was prayed for in such cases.

In reply, it was observed that the Rule which was an indulgence and privilege to the raiyats was that, if he held land in a village, he might be exempted from house tax; that it was inconvenient to extend it to all the cases mentioned by the Representatives. A raiyat might have land in one Taluk, or in one District and live in another Taluk or District; and yet, he might, under the view taken by the Representatives, claim exemption. The Dewan, however, was quite aware of some really hard cases where a raiyat might not find building site in the village his land might be situated in; or it might be a bechirakh village; in such cases the raiyat's house in the adjoining village might justly be entitled to remission; such cases should be brought up before Jamabandi Officers, who should grant the remission. The Representatives said that the concession met the objection.

year, to the remarks of the Dewan as per the marginal extract from Proceedings of the Assembly of Representative Raiyats and Merchants held in October 1888, regarding the assessment of the mohatarfa house-tax.

2. In future the following definite Rule shall be adopted namely :—

"If raiyat, from any cause whatsoever, resides in a village in which he holds no land, but holds lands in a neighbouring village not distant more than five miles from his residence, he shall be entitled to exemption from the mohatarfa house tax as an agriculturist."
